Below is a list of consequences for not observing this Code of Conduct:

1. **Banning from the property:** You will no longer be allowed on the premises. Depending on the severity of the grievance, this may be permanent, or for a specific time period. Being banned removes your ability to access any programming on the property. You may or may not be able to be escorted onto the property to access some services. Once banned, this privilege will be determined on a case by case basis but will not be guaranteed.
2. **No Trespass Order:** This is a formal serving of a no trespassing order from the GJPD. Once served, any infractions will result in the police being called to escort you off the property.
